DECISION No: 73

From:	The Stewards	Date:	29th July 2022
To:	SPS automotive performance	Time:	16:40 hrs

The Stewards, having received a report from the Technical Delegate, having summoned and heard from the competitor's representative, have considered the following matter and determine the following:

- No. / Driver:** 75 / Dominik Baumann – Martin Konrad – Kenny Habul – Philip Ellis
- Competitor:** SPS automotive performance
- Session:** After Night Practice
- Fact:** The engine of car 75 has been replaced
- Offence:** Breach of Article 40 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations
- Decision:** **Car 75 must start the Race from the pit lane**
- Reason:** Car 75 has replaced the engine following damage incurred during the Night Practice session. Having heard from the competitor's representative, it is acknowledged that this is a breach of the above regulation but the competitor argues that the engine change was necessitated by accident damage for which others were responsible. None-the-less, having considered the matter extensively, the Stewards determine that in accordance with precedent as the engine has been replaced after Qualifying the car must start the Race from the pit lane.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
